Knopf Doubleday Publishing Group, 2011

In his latest novel, Julian Barnes, author of Talking It Over and A History of the World in 10 1/2 Chapters, trains his laser-bright prose on the collapse of Communism in Eastern Europe. Stoyan Petkanov, the deposed Party leader, is placed on trial for crimes that range from corruption to political murder. Petkanov's guilt -- and the righteousness of his opponents -- would seem to be self-evident. But, as brilliantly imagined by Barnes, the trial of this cunning and unrepentant dictator illuminates the shadowy frontier between the rusted myths of the Communist past and a capitalist future in which everything is up for grabs. From the Trade Paperback edition.
